Chairman's message

Good afternoon everyone and a very warm welcome on behalf of the Swindon & District Football League. Welcome to Swindon Supermarine FC for the George Thomas Memorial & Don Rogers, and the Swindon Advertiser 2011 Cup Finals.

On behalf of all the Officers of the Swindon & District Football League, I would like to extend a warm welcome and congratulation to the four teams their managers, supporters and the match officials taking part, and hope they all have a good and enjoyable day.

I will also extend my thanks and a warm welcome to Jim Thorn, Ned Payne and Louise Fernandes from the Swindon Advertiser, I hope you all enjoy the day and the game. I would like to extend our thanks to the Directors, Officers, Catering Staff, Bar Staff and the Ground Staff of Swindon Supermarine FC and thank them for there hospitality and thanks in allowing us to use their facility.

Once again I hope the four teams have a very good game and every one have a safe journey home.

Jerry Welch

The Official

The referee for the Adver cup final is ... has refereed for us on many occasions and shown himself to be a thoroughly competent official. His senior assistant is Robert Lever, a young man who has had a great season capped with a promotion to a higher grade, which bodes well for Wiltshire footballers in the coming seasons. He referees with a firm hand but shows a good deal of common sense. David Cannell who is in his first season as a ref is the other assistant referee . David has taken to refereeing like a duck to water and our teams are pleased to see his name against their fixture as their referee

In the George Thomas cup final it gives me great pleasure to award the final to Alan Baldwin, who has served the league well in past seasons. His senior assistant is Mark Willis who has given a lot of years to the league as a referee, and this season Mark has been dogged with ill health and been in G W H several times but still comes on the phone for a game. I only wish there were more men like Mark it would make my task as referee sec so much easier. Lastly the other assistant is Adrian Povey who has had a very good season and had some very high marks from the teams.

Swindon Auto Engine Tune

Manager. Brian McKinna. Easy going, quiet, shy and retiring – probably wouldn't describe him. Passionate, honest and loyal, Brian loves his family, Leeds United and his players – great lads

1 Darren Kingstone. Goalkeeper. A quiet lad, a shrinking violet in the dressing room – what he lacks in intelligence he makes up with his eating capacity.

2 Adam Law. Defender. Adam gives 100% each and every game, he is like a thoroughbred horse, just keeps on running. A better player than he realises.

3 Chris Sloely. Defender. Known affectionately as Johnny after his idol and role model Johnny Vegas – the likeness is uncanny. On the pitch Chris gives 100% and is someone his manager trusts will have given everything.

5 Martin Godden. Forward. The Manager's favourite player – only because he has someone who will look up to him. Goals, goals, goals, that's what Martinis all about.

6 Dale Wells. Midfield. Astonishing he is playing at 67 years of age. Dale is the Henry Kissinger of the team, he calms the situation and as captain leads by example.

7 Josh Beach. Defender. Signed just after last season started. A nice lad, good player and very glad he's in the team. Lovely left foot. Oh and don't ask about his sister

8 Nathan Lee. Forward, Young, powerful lad – bags of potential, just needs to believe in himself a bit more. Will be a top player.

9 Aaron Mayo. Defender. The team's 'ladies man', no female is safe, especially after 12 pints of Strongbow. On the pitch Aaron prefers to walk rather than run, on the rare moments of energy Aaron shows glimpses reminiscent of Carlton Palmer.

10 Callum McKinna. Defender. The improvement in Callum over the past 2 years is remarkable, although only 17, plays with a maturity older than his age – always reliable.

11 Cameron Hayes. Forward. Cameron's finest moment came when a very drunk 34 yr old agreed to dance with him at a club do – although he didn't allow her to take her whit Labrador too! On the pitch a fine player with pace and goals.

12 Ryan Fry. Midfield. Quick, skilful and bags of energy. Definitely better than his dad. Scored the goal of the season so far.

14 Ben Keating. Midfield. Ben is definitely in touch with his feminine side. He moisturises before (during) and after each game. On his day, Ben is one of the best players in the league – sponsored by 'The Pink Rooms'.

16 Liam McKinna. Defender. A fit and motivated Liam is the team's best player, but permanently un-fit and lazy. He could sleep for England.

17 Richard Pople. Anywhere. Not everyone's cup of tea – probably because he is a Bristol City fan – a good club/squad member – fitter than Chris Sloely.

31 Wayne Fry. Midfield. Known as Victor Medrew he can be heard on many games quoting the famous 'I can't believe it' ref – Wayne is a legend in his mind, and sees a different game from the rest of the team.

Special thanks go to Kevin and Lorraine Wadley owners of Auto Engine Tune, St Phillips Road Stratton – best garage in town – who are the teams sponsors. Also to two special ladies – My wife Paula (secretary) and Tracy Fry (treasurer) – who have run the team behind the scenes fantastically well. Also to Larry – former landlord of the Wheatsheaf Dores Road, who looked after us so well.

Citifaith

Thanks to Our sponsor, **Citifaith Church**, and **Pastor Mike Everson** who sadly passed away in December 2010. Mike was very proud of the Citifaith team and no doubt his legacy will live on. We would also like to thank Joan Marshall for her unfailing support and for turning up to our games come rain or shine. Also a big thank you to Nicola Brooks for her support and for giving up her birthday celebrations to watch us in the final. Happy birthday.

"Thank You" to the Landlord at the New Inn Public House for laying on food for the team after our matches on Saturdays, it is very much appreciated by all the team.

Ann Warwick. Secretary. Thanks for your hard work with the club and your unfailing support through all seasons.

Steve Holmes. Manager. Played for Blackburn Rovers and Bolton Wanderers in the mid to late 80s. Also played in the Conference and Isthmian League before retiring through injury at the young age of 24. A big thank you from the players for bringing this team from jumpers as goal posts football to cup finals.

Grant Warwick. Midfield. Owner of the left wing. Should be top goal scorer if only the other players would pass to him. Moaning is guaranteed.

Oliver Boston. Midfield. Skilful midfielder with plenty of goals in him. Loves to run with the ball, not sure where to sometimes though.

Steve Tomlin. Defender. Great right back with plenty of energy. Will happily run the length of the pitch, on the side line. Huge fan of Tottenham goal keeper Heurelho Gomes.

Chris Trueman. Defender. Our youngest player. With us from the start he continues to show great form and improvement.

Paul Aust. Midfield. Serious skill on the ball, great playmaker. Our pocket sized lynch pin in the middle of the park.

Chris Burridge. Midfield. Great skill on the ball. He'd have made it professionally were it not for his lack of opposable thumbs. Huge fan of Justin Bieber.

Ian Campbell. Midfield. The footballing ninja, sometimes we don't even know he's there. Plenty of energy and skill. Loves ice cream, sunsets and baby blue football boots.

Andy Drinkwater. Striker. Skill, vision, goals galore. The man to aim for up front. Is he going to pass or go for the glory? I know what my money is on.

Carl Hunt. Defender. The powerhouse! Like a bulldozer with legs he'll sort the attackers out and even run the ball back up the other end. Target man for corners, when he eventually gets there.

Dave Kirby. Striker. Patent holder of the "ass-off" technique. Always at least one goal in him per game. Plenty of pace too.

Ewan Lever. Defender. The commander of defence. Skill, pace and a few goals in him too. If you can't hear him you must be in a different county.

Simon Litt. Midfield. Great playmaker. Put him anywhere and he won't fail to impress. Even running the line he's spot on.

Tony Meredith. Defender. Best left back in the league. Plenty of goals in him too, just has to be told which one to aim for.

John Lewis. Striker. His skills are legendary (within the circus community). Loves to run with the ball and always turns up with a smile on face... or a butterfly.

Richard Pearce. Goalkeeper. Our very own Schmeichel. Has saved us from many huge defeats. Is pushing on a bit now though and is unable to take goal kicks.

Fratellos

Manager Antony Pascal. Known as 'Kat'. Good manager with indecisive tendencies. Will always put the team first but don't ask him for a quick decision or to carry any bags/bottles/balls etc! lol

1 James Whitlock. Goal Keeper. 'Chippy' as he is known, has been around for years and is still in his prime! Will either make great saves or big mistakes!

2 Michael Young. Right Back. Strong, reliable defender with fast pace and crunching tackles. Good feet when he has the ball. Don't mess!!!

3 Philip Coulson. Centre Back. Experienced centre back, nicknames either 'veteran' or 'biggun'. Favorite part of his game is kicking the ball into row z. Is getting married this summer so it's his last season - lol

4 Craig Miles. Centre Back. Our best central defender, strong in the air and tackles well - says it all...

5 Ajay Sahota. Centre Back/Left Back. Tall, pretty boy who is more concerned about his looks than playing football. Overall top draw player!

6 Martin James. Left Back. The most prolific scoring left back ever to be seen in the league. Piled on a few stone of late but will get in shape for the final. Also known to throw his toys out of the pram!!!

Bryan Davis. Left Back/wing. Never pays his subs so gets stuck with the line. Fast player, good skills but needs to score more shots on target!

8 Aaron Webb. Left Wing. Little Albino with many tricks and an eye for goal also glides like Casper! Nickname Webby!

7 Kyle Romain. Centre Midfield. Big tall strong lad who will run all day. Hard in tackles and chips in with the odd goal.

8 Aaron Barton. Midfield. Loves swearing and picking on people three times the size of him. Nickname Barts!

9 John Goodenough. Midfield. Long haired football lover who needs to keep his temper in check but he will always work hard to the last whistle! Known as 'Pringey' and been round the block a few times!

Darren Coleman. Sub. Right Midfield. Pacey wide man with a bag full of tricks which tie defenders in knots!

10 Gio Desandos. Centre Midfield. Skinny with over sized shorts! Can ping a ball 40 yards and supports Tottenham - poor lad!

11 Ricky Flannagan. Right Midfield/Forward. Lankey steak of Beans. Fast pace, good skills but needs to go to specsavers in order to start scoring on the pitch!

12 Ricky Mazotta. Forward. Put on a few pounds over the years whilst building up Fratellos pizza empire! Strong forward with an eye for goals when he can get upfront! Not a ninety minute man!!!

13 Richard Martin. Forward. The teams pitbull - strong, hard fighting player. Bangs in spectacular goals of envy!

14 Danny Hyde. Forward. Danny is suspended for the final but is an extremely top player - Unfortunate he has to miss out as would be a handful for the Queensfield defense as usually will score a Hat trick OR two

15 Paul Golding. Left Wing. 'Lout' is the Leon Messi of the team! Strong, low centre of gravity player, who scores fantastic goals with head or feet. Good six pack considering he is nearly 40!!!

16 Paul Childs. Right/Left Back. 'Chiddy' has more slices than a loaf of bread. Needs to pass to 'his own' players! The ginger winger!

17 Gerry Ellis. Right Midfield. Gobby player who rarely stretches his legs for us but when he does he plays like he is 17 for the first five minutes, then like he is 40 after that. Good ball player, wish he would play more!

Fratello's FC would like to thank our sponsors Ricky and Enzo Mazotta from Fratello's Restaurant Swindon, Chippy and Debbie for washing the football kit each week, John and Jo for doing the secretarial work, and keeping on top of the fines! Our club keeps on going due to all their hard work and dedication each season and it is really appreciated

Queensfield

1 Liam Gooch. Goalkeeper. "Ginge". Vice Captain Great Shot stopper and quick off his line, bit of a moaner as well!

2 James McMurray. Defender. "Barney". Young defender, bit dopey but a willing defender who never gives up.

3 Peter Smith. Defender / Player Manager can play anywhere on the pitch but probably only gets on because he's the manager.

4 Micheal Chivers. Midfielder "Chivers" probably the oldest player in the world but still runs round like a teenager, box to box player and pops up with the odd goal!

5 Mathew Hiscocks. Defender. Captain. Most consistent defender great in the air and on the ground, well overdue a goal!

6 Lee Edgel. Defender. First year with the club, but fitted in well, good solid player.

7 Mikey Jack. Midfielder. Has everything you want in a winger fast skillful and scores cracking goals.

8 Roger Mundy. Midfielder. Doesn't know how to defend ! Scored a last minute goal in the semi to get us to the final !

9 Adam Jack. Striker. Lightning fast and scores goals for fun.

11 Warren Fox. Midfielder. "Foxy" tricky winger and can also play upfront. Long throw specialist.

12 Justin Webster. Defender "Jutty". Small in size but solid in defence; doesn't lose a header.

13 Tony Smith. Striker Playmaker of team, good passer of the ball and hold play up. Scores great goals from distance !

14 Kyle Wakefield. Defender. Fit and strong and gets better with ever game.

15 Sam Eagels. Midfielder. First season and scored a few goals from the bench; good crosser of the ball and an animal in the air !

16 Daniel Hiscocks. Striker " Amiar" Squad player who can play anywhere on the pitch and can do a good job.

Season Summary

Another good but hard season for the Queensfield team. A few new faces fitted in well. We needed a replay to get to the final but we are just pleased to get here and hope we do better than last year.

We would like to thank the Queensfield pub and landlord John Doyle, landlady Mandy Doyle for all there help and providing us with food after the games. Many thanks.

We as a team would like to thank everyone for the continued support during the season and hope they can cheer us on to victory today. Also many thanks to the league officials for all their help during our season.
