# PRESIDENT'S MESSAGE

Good afternoon everyone and a very warm welcome on behalf of the Swindon & District Football League. Welcome to the Royal Wootton Bassett Sports Association for the George Thomas Memorial & Don Rogers, and the Swindon Advertiser 2018-19 Cup Finals.

In the first final today sees an all Premier League fixture Lower Stratton against Wheatsheaf Stratton.

In the Swindon Advertiser Final, after many years of seeing either Queensfield-Bakers and Fratellos-Tawny Owl we see a changing of the guard with the return of Premier League FC Dorcan, last year's George Thomas/Don Rogers cup winners against Bassett Bulldogs, of Division 2.

On behalf of all the officers of the Swindon & District Football League, I would like to extend a warm welcome and congratulations to the teams their managers, supporters and the match officials taking part, and hope they all have a good and enjoyable day. Thanks also to Jim Thorn, patron of the George Thomas/Don Rogers Cup as well as to the Swindon Advertiser.

Thanks to the Directors, Officers, Catering Staff, Bar Staff and the Ground Staff at the Royal Wootton Bassett Sports Association for their hospitality and for the use of their stadium and facilities.

I would especially like to thank our sponsors, the Swindon Advertiser and Don Rogers. In promoting and financially supporting these competitions, every player involved in the league gets a chance to play in the longest standing competition in local football.

Sadly this year we lost two stalwarts of the game in Jerry Welch and Bob Warman, we recognise their passion for the game and their commitment with a memorial game, not just for them but for all those who have put their hearts into the game we all love. We will remember you.

Good Luck to all involved, enjoy the games.

**Pete Mildenhall**

## HALL OF FAME

**Jerry Welch** started off as Liden United club linesman back in the early 80's in the Saturday District League. He got more involved with the club soon winning promotion to the Wilts County league, but as players left the remainder joined up with Oldacre Reserves to form Genesis with Jerry as Team Manager. They had a run of success winning District Div 1 and Premier titles in the early 90's. Jerry also ran a decent Sunday League side, Gamekeeper at this time. He joined the District league committee in 1993, becoming Vice Chairman in 1999, and elected Chairman in 2004 the role he kept to this day. He accepted a role on the Wilts FA Council in 2000 and served on many sub-committees.

Jerry touched the lives of many in football, where he gained respect for his hard work and friendly nature. Our thoughts and condolences go out to

his family as we remember his longstanding love and dedication to our game. Rest in Peace Jerry.

**Robert (Bob) Warman** born 1938 in London and on moving to Swindon dedicated 40 years of his time to the Swindon & District Football League, firstly as a referee, and having joined the District committee in 1995 became referee appointments secretary 15 years ago. Refereeing in Swindon is a poorer place with Bob's passing.

Bob was committed to supporting young referees and grassroots football and supported and inspired many to take on refereeing. He was a true legend and a real gentleman in all that was football. You will be sadly missed.

# A MEMORIAL CELEBRATION OF DISTRICT FOOTBALL

## CHISELDON VS MOREDON, KO 13:00

This fixture has been scheduled in what we hope will be an ongoing tradition to recognise clubs who model the principles of respect and fairness, giving them the opportunity to play in a stadium. Both teams this year, along with our finalists Bassett Bulldogs, had excellent disciplinary records. As much as recognising them, this is also a chance to remember those who are no longer with us.

Players in local leagues across the country grow up and go to school together, they are work colleagues and often socialise together. To maintain this community, when they meet on Saturdays as opponents we as a league hope to foster a mutual respect for each other whether in closely contested matches, resounding victories made in honourable sportsmanship, or crushing defeats accepted with frustration but good grace.

As it's Star Wars day (May the fourth ! ) it was possible we could get Stormtroopers playing the Rebel Alliance, but we welcome both teams to the Gerard Buxton Sports Ground. Enjoy the game!

## MATCH OFFICIALS

### REFEREE: COLIN TEWKESBURY

Colin can't wait to visit the new White Hart Lane. Favourite team: Arsenal.

### ASSISTANT REFEREE: TED LEWIS

An assistant in the George Thomas/Don Rogers final, Ted is clearly fit enough to do two matches.

### ASSISTANT REFEREE: ANDREW FOX

is another well known Referee, his marks show that he respected by our clubs. The committee would like to thank Andrew for his commitment to the League.

### FOURTH OFFICIAL: MARK PARIS HAINES

Mark is this year's Advertiser cup referee and will be warming up assisting the officials on this match.

# CHISELDON

Stewart and Terry Parsons took over the reigns 2 seasons ago and have vastly improved the club along with help from other club committee members. They try to play football the correct way, but at this level you don't always get the rewards. Its been a challenging season where inconsistent availability of players has meant a constantly changing team.

They'd like to thank Nanogreen Cleaning and Platinum Alloys for ensuring they look the part by funding kits and training attire for the youth and adult teams. The Chiseldon Parish Council have also been excellent this year with funds and the work that continues to be done to improve our home pitch.

**Dean Jarvis.** GK. He will probably be at work

**Alex Taylor.** GK. Played the most out of the 5 keepers used this season

**Iain Williams.** Oldest player, must be touching 50, still the fittest

**Matt Clarke.** Saved the club from extinction many years ago. Treasurer, Groundsman, hope he scores one day

**James Lovell.** Captain, wannabe striker, 10.2% body fat, one more season

**Greg Mannion.** Likes to injure his own team mates

**Andy Gibson.** Wishes he was still a right winger

**Paulo Martins.** Cultured Brazilian, loves a tackle

**Peter Wyatt.** Needs saving from the household chores

**Jon Davis.** Mr Reliable. Rarely puts a foot wrong. Needs a new knee

**Dan Preston.** Smells great in the shower.

**Dave Popkiss.** Had a tough season. Loves a Cruyff turn, in his own box

**Tom Davis.** Not happy about the coming Sin Bin rule. Most capped player

**Sam Palmer.** Never stops running

**Dan Vaughan.** Just centre back to go to complete the full set of positions played this season. Versatile!

**James Meade.** Is he finally over his injury problems?

**Luke Midwinter.** Baby faced assassin. Scores tough chances, misses sitters.

**Tom Duff.** Stronger than he looks. Needs to learn where the goal is.

**Michael Smith.** Sacked off egg chasing. Plays football like a racing car driver

**Stewart Parsons.** Guardiola wannabe. Likes to play football the right way

# MOREDON FC

are a football club dedicated to its players and the passion of grassroots football. We've managed to stay afloat financially solely from the teams admin and its players for the last six years. We haven't always tasted success but remain dedicated to the cause. This game is a great honour to be a part of celebrating the lives of stalwarts of grassroots football in Swindon and their contribution to football everywhere. To be rewarded with playing a great team in Chisledon for both our discipline records sums up a great end to what we were trying to achieve this season. We will be looking to aim high for this game before a change of management going into the next season. Thanks to SDFL and Wilts FA and a special thanks to all our players, management, and supporters.

**Rich Stone GK.** Dedicated to playing, drives from Blackpool to take part every week!

**Dan Tobin.** Injured in his debut, and not properly recovered.

**Ryan Ayres.** Absolute brick wall of a defender, no nonsense.

**Adam Law.** Proper passion, old school defender with a gritty side.

**Steven Nicholls.** The engine of the team, nicknamed Ariston, he goes on and on.

**Calum Langan.** Absolute whippet down the left flank, loves a rabonna.

**Kieran Dodson.** Smallest player of the team, with the most tekkers, plays in between scholarships.

**Josh Haynes.** FedEx! This lads delivery is exceptional.

**Adam Rogers.** A midfield tank, free kick specialist.

**Paul Dodson (c).** Captain fantastic, veteran of the team, has retired every year, no better man in the middle.

**Reece Johnson.** Technically gifted, great speed and instinct.

**Tom Goodey.** Can definitely rely on this lad for goals, best left foot around and hell of a finisher.

**Paul Stevens.** Player manager, coach, secretary, general dogs body. Good in the air though.

**Robert Dawes.** Skills, skills and more skills, wish he was available every week!

**Dan Jones.** Our own Terry Butcher, football is life and death for this one, no messing about.

# LOWER STRATTON

Secretary: Ian Sore  
Manager: Alan Spring

No spoils for Stratton since 13/14, when they achieved cup and league success so the presence in today's GT Cup Final has been a welcome boost, after a disappointing season in the league. On behalf of the players and officials of Lower Stratton we would like to thank Paul Morris, Wheatsheaf for the after match hospitality this season and more importantly our "Auntie Ivy" Acott who has worked tirelessly behind the scenes now for over 40 years, looking after the club finances and the players attire.

**Alan Spring.** Player manager and master tactician. Lower Stratton won't be "Dilly Dallying" today.

**Alfie Learoyd-Smith.** Youngster who never stops running. Mostly to the pitch after being late from a night in Tree.

**Anthony Hitchman.** Famous last words, "I can fill in if you're desperate"

**Cameron Chaplin.** Stop getting injured!

**Chris Daglish.** If "Goals per stone" was a stat this Keeper/striker would top it.

**Craig Roberts.** A great new addition to the team who brings bags of talent and enthusiasm on and off the pitch. Wants to manage.

**Daniel Rutland.** Will either have a great game or he will have forgotten we have a game.

**Dean Barton.** Cat between the sticks who has almost had more injuries than dating profiles this season.

**Diogo Casiniro.** Portuguese wizard who still hasn't learnt the English for defend.

**Gavin Kay.** Lunch date.

**James Saunders.** Has played everywhere this season but his preferred position. Always has a goal in him.

**Joshua Tyler.** Are your family watching?

**Liam New.** A Stratton player who has a first touch! Unheard of. Passing range more varied than his beauty products.

**Nicholas Spring.** Spent more time this season in tropical destinations than on the football pitch.

**Richard Clark.** Deadly top scorer who could be leading the league if he could work out how to finish from 1 yard.

**Richard New.** The engine room of Lower Stratton. That £2 knee brace is still going strong!

**Robert Clark.** Assist machine, who puts in a great ball when not trying to beat his man for a fourth time.

**Shaun Hooton.** Club legion "Gaffer" has been hit by injuries this year. We hope he has a few more games in him.

**Steve Norriss.** Injury hit season for the old man who never gives up on the ball or a night out!

**Stuart Davidson.** The only player likely to go into a 50/50 with a rhino and win!

**Thomas Hunt.** Quite possibly the greatest exponent of the "outside of the boot" the game has ever seen.

**Will Hooton.** Retired more times than his Dad. Is there one more comeback in him for this final?

# WHEATSHEAF

Secretary: Stef Kuczynski

Management: Andy Lach/Steve Witts (Lachy & Witsy)

Thanks to Stef for all his continued support, enthusiasm and fund raising for the club. To Stefs wife for washing the kit and thanks to the Wheatsheaf for providing after game food, the sausages are always delicious. (thanks Emma!). Andy our manager is particularly proud that his three sons are named in the squad for the final, a family affair that the SDFL are proud to highlight.

**Liam Keville (Kevs).** Goalkeeper. Since signing has made a great influence to our side; always vocal from the back. Loves a clean sheet more than your local launderette.

**Dillon Merchant (Dil).** Defender. Youngest player in the squad (16) and first time in men's football. His speed, tackling and heading is all spot on. Just has to not let his head drop!

**Sam Lach (Lachy).** Defender. Taken over as captain. Heading and tackling is second to none. Let's hope his newborn son will follow in his footsteps!

**Mason Lach (Mas).** Winger. The quickest and most skilful player in the squad. Once he gets going there is no stopping him!  
James Turpie (Turps). Defender. Steady Eddie!  
Loves a tackle and the odd dribble out of defence.

**Regan Lach (Reegs).** Centre Mid-field. Second youngest player at 17 and first time in men's football. Great awareness, solid centre mid-field loves a header and doesn't miss from the spot.

**Phil Distin.** Defender. Joined this season. Probably the most reliable player in the squad. Whatever position he is given he will play it and play it well.

**Sammy Bradfield.** Mid-field. Smallest player in the squad but stature doesn't stop him being the hardest tackler in the team and also our mid-field playmaker.

**Charlie McCuish.** Centre forward. At 17 and his first season in men's football. Loves a long shot resulting him being our top goal scorer this season. It would be nice to get a pass off him sometimes!!

**Ryan Bragg (Braggy).** Mid-field/Striker. Only 6', 4" player I know who can't head the ball, however he makes up for it with his continuous work rate and reading of the game.

**Alisdair Little (Ali).** Winger. Our little angry man!  
Loves a dribble and always on the look out for that killer pass or that killer run.

**Danny Morton (Bomhead).** Mid-field. Old Timer but still has the legs to get up and down, Loves a tackle and a header.

**Matthew Hams (Hamsy).** Defender. Loves a physical game and always up for a battle and a bottle after the game!

**Elton Mazutti (Elton).** Super Sub. Our Brazilian super sub. Comes on and fills any position with confidence. Never gives the ball away. Wand of a left foot!

# FC DORCAN

Secretary: Jimmy Horwood

Management: Jimmy Horwood

This is our last competitive game as FC Dorcan before our name change next year to Nalگو FC. Our first ever competitive game was also against today's opponents (Bulldogs) where we ended up the wrong end of a 5-0 result. 2 finals in 2 years is great for us because not only do you play grassroots for the enjoyment, you also want to win things as I can tell you it's a great feeling. Thanks to NALGO for this season, and thanks to Premier Properties Swindon for sponsoring the kit and tracksuits for the past 2 years. Good luck to everyone involved throughout the day! We are looking for sponsorships for next season, please contact Jimmy.

**Adam Bedwell.** Various. Every team needs a player like Adam. Versatile, great goalie, non-moaner, loves hentai. Get yourselves an Adam.

**Adam Rogers.** Goal Keeper. Keeps betting on the other teams to beat us I think. Lee Witts 2.0

**Callum Endicott.** Defender. Centre half, Sweeper, Taxi Driver, Kit man, Third ball, Part time secretary ... but not a holding midfielder

**Kyle Fitzsimons.** Defender. He lives in Bassett and is playing his old team. I imagine an own goal and celebrations drinks with them after the game!

**Toby Purvis.** Defender. Missed last year's final because a witch doctor needed his albino blood.

**Harry Osborne.** Defender. Sent off for being punched in the face. Sign his petition to get VAR installed at nalگو

**Nick Crisp.** Defender. Wears moulds when it rains. Wears moulds to work. Wears moulds to bed. Wears moulds to Suju.

**Joe Gentleman.** Defender. It's amazing how someone on the spectrum can be that good at football. Inspiration to all.

**Louis Freegard.** Midfield / Defender. Leases a BMW and works for nationwide. You can guess the rest.

**Dom "Mouse" Swan.** Midfielder. I bet he wishes he could hold down a job as well as he holds the midfield.

**George Bouverie-Brine.** Midfielder. You've got some hair in your eyes mate ... HAHHAHAHAHAHA

**Edd Herbert.** Midfielder. Imagine how good he would be if he started weight watchers.

**Sean Broomfield.** Midfielder. We haven't the heart to tell him his toupee fell off months ago

**Joel Ofori.** Striker. Scores goals and cashes cheques. With a bum like that, no wonder we never see him shower.

**Finn Wilkinson.** Striker. Still picking Ben Hillerby's flat cap off his studs from the semi.

**Jake Kitchin.** Striker. Jake Kitchin aka Jake Kitchen aka Jake Kitchens aka Jake's Kitchens aka Dwight Gale

**Luke Murphy.** Striker. Leigh Griffiths

# BASSETT BULLDOGS

Secretary: Phil Harris

Management: Wayne Matthews & Colin Cochrane

We'd like to thank all of the players for their patience and hard work throughout the season, and we look forward to a successful season next campaign.

**Kyle Brooks.** Goalkeeper. The Bulldogs No.1. Great distributor and composure under pressure. Scored the winning penalty to send us through to the Semi's!!

**Phil Harris.** Defender. Co-founder. Learnt how to pass from a Youtube video. Still learning.

**Wayne Matthews.** Defender. Co-founder and Co-manager. Slow and not very good

**Dean Skeates.** Defender. Shows class, style and great form every time he takes part... Shame that's in dressage.

**Gary Nolan.** Defender. In winter warms up with no top on. In summer wears layers...

**Steve Gruar.** Defender. Keeping me (Wayne) out of the team at right back. NOT HAPPY!

**Brett Embling.** Defender. Spends more time sliding than the Jamaican Bobsleigh Team

**Danny Dhillon.** Defender. Secret weapon Danny Dhillon is kept so secret he makes limited appearances, so no one can prepare for him.

**Chris Edwards.** Midfielder. Strikes a ball harder than the Brazilian Hulk.

**Tom Orton.** Midfielder. Runs like the animated person from the "another point of view" music video.

**Dave Lazenby.** Midfielder. Skilful, quick, unfit (by his own admission)

**Josh Dimond.** Midfielder. Captain of the Bulldogs. Playing style resembles the Monk from Mean Machine.

**Scott Large.** Midfielder. Is a bulldog, he wears a bulldog hat. He used to play for Calne Town, but he didn't fancy that.

**Mark Adams.** Midfielder. Tough tackler. Rises like a salmon. Great beard.

**Colin Cochrane.** Striker. Co-manager. Doesn't like scoring bad goals.

**Craig Hunt.** Striker. Once came 4th in a Phil Neville look-a-like contest. Poor man's Phil Harris

**Jason Hudson.** Striker. Top scorer. Pacey, skilful and never been legitimately offside in his life.

Keith has had an outstanding season, he is very popular with clubs, coming from his experience as a player within the league for many years before taking up the whistle.

Brian is one of our longest serving referees, the league has seen Brian officiating ever Saturday from the start of the season.

Steve is one of the leagues promotion candidates, he has made a very promising start within the league and is well respected by our clubs. We wish Steve the best on his promotion.

Team: Man Utd

Ted has become a well known referee this year across all divisions in our league, Ted referees every weekend for the Swindon District and Wiltshire Women's.

## HISTORY

The George Thomas trophy was funded 22 years ago by his wife in memory of the Swindon & District chairman, who had been a stalwart of the League and local football for over 50 years, joining the committee in 1951, becoming chairman in 1962 and President in 1983. Don Rogers is rightly known far beyond Swindon, famously for his contribution in putting the Arsenal of 1969 in their place. In 412 appearances for Swindon in two spells between 1961 and 1977, Don scored 149 goals.

## HISTORY

The Swindon Advertiser competition has been contested since the Advertiser donated the trophy for the 1900-1901 season, with the first final being played in front of 2000 supporters where Even Swindon beat Stratton Reform at the Duke of Edinburgh public house ground at Gorse Hill. The cup was carried in a triumphant procession from Gorse Hill to Rodbourne led by the Even Swindon Band.
