## Chairman's message

Good afternoon everyone and a very warm welcome on behalf of the Swindon & District Football League. Welcome to Swindon Supermarine FC for the George Thomas Memorial & Don Rogers, and the Swindon Advertiser 2012 Cup Finals.

With the cup draw leading to a re-run of last year's Swindon Advertiser final, we're looking forward to another closely contested match. Also, it's great to see Spectrum, one of our longest established teams deservedly up against one of the most recent additions to the league, Old Town United in the George Thomas/Don Rogers Final.

On behalf of all the officers of the Swindon & District Football League, I would like to extend a warm welcome and congratulations to the four teams their managers, supporters and the match officials taking part, and hope they all have a good and enjoyable day.

I also extend my thanks and a warm welcome to Jim Thorn and Ned Payne from the Swindon Advertiser, hope you all enjoy the day and the game.

I would like to extend our thanks to the Directors, Officers, Catering Staff, Bar Staff and the Ground Staff of Swindon Supermarine FC for their hospitality and for the use of their stadium and facilities.

I would especially like to thank our sponsors, the Swindon Advertiser and Don Rogers. In promoting and financially supporting these competitions, every player involved in the league gets a chance to play in the longest standing competition in local football.

Good Luck to all involved, and everyone have a safe journey home.

**Jerry Welch**

**Chairman, Swindon District Football League**

## The Officials

The referee for the Swindon Advertiser cup is Kevin Small who has been on our list for the last ten years and deserves the honour. Kevin is also the referees secretary for the Wiltshire FA, so does not have much time for other hobbies. Kevin's assistants today are Graham Dancer and Bartosz Ludwicki. After a long distinguished career in Wiltshire football Graham has taken to refereeing with the same determination. Bartosz is a new referee to the league, and his appointment to the final reflects his consistently high performance over the season.

The George Thomas/Don Rogers cup referee is Keith Butler, a long established District League official with a fine reputation for his firmness and fair play. Keith's assistants are Brian Bennett Murdoch and Colin Tewkesbury. Brian has had a long career in local football as a player. All too often players simply hang up their boots, but his commitment to refereeing, is a great way of giving something back to the game. Colin has been involved as a player, manager and secretary for many years with the league. Colin's enthusiasm to local football is second to none and it's a fitting compliment to his efforts that he has been appointed as an official for the final.

I'm sure you'll join me and thanking all the officials for their work over the season and supporting their efforts in the finals today.

Bob Warman  
**Referees Secretary**

# Old Town United

**Tom Ballard** – Striker and prolific at that, unfortunately not always for us.

**Chris Bell** – Great little winger, quick and tricky.

**Sean Broomfield** – Midfield, such an intelligent player, reads the game so well.

**Mitchell Castro** – Right back, young, feisty Portuguese lad, great potential.

**Sam Crawford** – Centre back, strong in the tackle and always with a smile.

**James Cuff** – Right back, big smile, 50p head.

**Dean Daville** – Left wing, always gives 100%, never gives up, always looks guilty of something.

**Alley Drew** – Winger, the first of two sets of brothers, this guy will keep running.

**Scott Drew** – Winger, towers over just about everything which gives him great vision.

**Nazza Ehsany** – Winger, raw talent and so eager.

**Callum Endicott** – Striker/midfield, can turn on a sixpence, (£2 coin in new money).

**Joe Gentleman** – Left back, big voice, big engine, big dad.

**James Gregory** – Right back, nickname 'Boats' but no one knows why.

**Luke Harris** – Striker, full of running but thinks he's Roger Federer.

**Dan Head** – Left back, never gets ruffled, calmness personified.

**Tom Head** – Centre back, complete opposite of his brother.

**Jimmy Horwood** – Centre midfield, always likes to play football, chases lost causes as if they are virgins.

**Naz Jafari** – Striker, quick, quick, quick, probably has the most bruised ankles in the league.

**Shaun James** – Midfield, best in midfield but quite frankly can play anywhere on the pitch.

**Phil Jones** – Centre back/midfield, quite simply one of the best tacklers.

**James Lee** – Left back, never gives less than total commitment, one of the first on the team sheet.

**Chris Milne** – Striker, nickname 'Melon' and everyone has their own idea how he got that name.

**Sam Nash** – Midfield, the silent assassin, quiet lad but lets you know it when you make a mistake.

**Steve Nesbitt** – Midfield, class, pure class.

**Craig Parsons** – Centre midfield, 'Shakesy' is one of our most experienced players but can't dance, hence the nickname.

**Marcus Popowicz** – Centre midfield/Centre back, affectionately known as the 'Bear', he's an immense presence on the field.

**Parsa Pour** – Centre back, not the biggest player, but so solid.

**Sean Stevens** – Striker, 'Catty' a quality recent addition to the squad.

**Dom Swan** – Midfield, would love him to play more but always spending too much time with his Fairford mates.

**Dom Terret** – Striker, has banged in some great goals this season.

**Paul Thompson** – Right back, will be seeing more of him next season.

**Fred Watson** – Centre back, built like the original brick out house, still trying to find a shirt to fit him.

**Ryan Wilkinson** – Centre midfield, possibly our most talented player this guy is a game changer and banter king.

**Jack Willoughby** – Right wing, has been competing with Naz all season for the quickest feet award.

**Josh Witts (Captain)** – Goalkeeper, almost as tall as Scott but with a much bigger mouth.

# Spectrum

The club were in trouble at the end of last season with no manager and struggling for players but existing players Bryan Watson and Andy Huggins agreed to become joint player managers for the clubs 30th anniversary season. They brought in some good experienced players to complement what they had and after gruelling pre-season training the club has had one of its better seasons, climaxing in reaching the cup final.

**Richard 'Pricey' Price** - Our big stopper is the best (dressed) goalie in the league as anyone who witnesses his pink gloves will confirm. This fashion 'sense' works to his advantage as opposing strikers are always too busy admiring his attire that they forget to put the ball in the net!

**Tim Lewis** - Consistent season from one of the elder statesman of the teams, solid in defence and useful in attack (when allowed to pass the halfway line by his gaffer.) Invented the 'Lewis' turn this season, not to be confused with the 'Cruyff' turn, as it's nowhere near as good... but not a bad bit of skill...if he meant it!

**Steve 'Gillie' Kelly** - Ever dependable and always puts in a top performance and good for a few goals each year, though not enough to give him a strikers place in the team, even though he keeps asking.

**Dan Stevens** - Marathon man Dan, solid consistent player's player & ever present when fit. Dan is the unsung hero of the team.

**Bryan Watson** - Still going strong holding the back line together and moaning at his goalie and, always, the referee. More goals than cards this season which has to be a first in his long career.

**Paul Bissett** - Experienced defender formed a great partnership at the back with Bryan, what they lack in pace they make up for in judgement. Sets an example on the pitch always giving 110% and rarely makes a mistake... rarely scores either, to be fair...

**Mark Deverall** - Has helped out in goal when 'Pricey' is injured or getting his hair done. Dev is a tough tackler and intelligent user of the ball, also saved a penalty once by not moving and giving the striker the 'eyes' so that he kicked the ball straight at him!

**Andy 'Smokey Joe' Marriott** - Gets through more cigarettes in the game than tackles but had a great season and flourished in his captain's role. Hard working, tough tackling, goal scoring midfielder - nuff said.

**Andy 'Huggy' Huggins** - A veteran of the club but gets through more miles on the pitch than most of the team put together. Has to wear extra big shorts due to the amount of opposing midfielders he keeps in his pockets and contributes his fair share of goals, Legend.

**Ross Townsend** - Returned to the team this year making a real difference. Ability to play box to box and wide on the wings Ross has made the most goals this season as well as scoring a load himself. Technically very, very good so would never have thought he'd miss so many penalties!

**Carl O'Regan** - Nippy young winger who has forced his way into the starting 11 this year with some thrilling

wing play and daring runs. He will be the first to admit he should have more goals this year and if he had a left foot he would have!

**Craig Kelly** - Another player returning after a season away and this time with a much better attitude which has seen his performances sky rocket. Craig is top scorer and a real asset to the team, making goals as well as scoring them.

**James Williams** - James returns to the club where he started as an 18 year old and has made a big impact forcing himself into the first team and scoring lots of goals even through an injury plagued season. Pacy, strong and an eye for goal.

**Ash Piotrowski** - Having dropped down a league or two Ash has really shown his quality by cruising it at this level. Excellent targetman, holds the ball up brings others into play and clinical finisher; Ash has made the difference for us in close games this year.

**Craig 'Spready' Spreadborough** - Mr dependable, always willing to step into the battle when called on and will never let you down. The type of player every club needs.

**Chimobi 'Chi' Ukoha** - The original veteran of the team but probably still the quickest despite his advancing years. Great natural finisher with excellent goals to game ratio and a true character and team joker, just don't ask the Nigerian Hitman his name, as a certain ref did...

**Mark Whyburd** - Injured in the first game of the season, coming back into the team at the end of the season. Strong skilful forward not afraid to take on players and test the goalie, a big miss to the team this season when he was out.

**Murat Satici** - Our 'Turkish terror' will tell you that 'I am striker' but plays mostly in an attacking wing position. Excellent technically with the ball to feet and a little hot headed as many an opposing player and ref has found out. Won the famous last minute penalty in the semi final after being pole-axed in the box.

**Warren Wazza Bellman** - A promising first season with Spectrum was sadly halted by injury after being involved in a major car crash. We look forward to him returning next year to continue making his mark in the team as a midfield general.

**Mike Hoff Hoefing** - Another of the old guard who has contributed this season, while not able to commit every week, is definitely part of the squad and the success that the club has. Hoff is looking forward to getting more game time next season and the team look forward to having him back full time.

**Dave Page (Secretary)** - Finally the legend that is 'Pagey' who has been with the club in all of its 30 years in one role or another. The heart and soul of the club and the reason why Spectrum FC is still here celebrating its 30th anniversary this season. Worst linesman in the history of the game but best Kit washer there has ever been. He is so proud that the club has finally reached a cup final for the first time and the whole playing squad are proud that they did it for Pagey.

# Fratello's

**Aaron Barton** - Decent Midfielder on his day that grabs a few goals... Just make sure you don't take his dummy out.

**Mark Belcher** - Full of energy, 2nd touch is always a tackle! Great length!!!

**Paul Childs** - Longest serving player... Got the biggest cancles in the district league

**Bradley Clark** - Unbelievable skills!! Just don't leave your valuables unattended when he's about!

**Darren Coleman** - Quiet man of the team, quick and a great crosser of the ball... Wears horrendous trainers

**Philip Coulson** - Don't think anyone's ever seen him play but good banter and a cracking linesman

**Bryan Davis** - Best Goalie in the squad and an even better left back! Took a fiver out on our Christmas do and ended up paralytic!!

**Steve Davies** - Never lost an aerial battle and a rock at the back... Bad earrings and a horrendous speech impediment

**Gio De Sando** - Box to Box Midfielder, Sicknote of the team, terrible dress sense!!

**Joey Deayger** - Wand of a left foot! Short and Fat, grooms dogs rears for a living!

**Ricky Flannagan** - Quick and Direct with a shocking end product! Smooth Operator

**Paul Golding** - Veteran of the team and super-sub! Very reminiscent of Arnold from Different Strokes

**Danny Hyde** - Mr Versatile... As bad at the back as he is up front!! Great lad, Gentle Giant

**Mark Jordan** - Midfield General who does nothing but moan, we had to get hold of Razor Ruddock old shorts to fit his giant ass in!

**Richie Martin** - Defenders beware, Scholsey's gonna get ya!!! In a steady relationship with Craig Miles!

**Ricky Mazzotta** - The Clubs main sponsor hence the reason he occasionally gets a game! Always likely to bang a goal in!

**Craig Miles** - Reliable defender at centre-half or right back. Sounds like he eats gravel for lunch! Club Doctor!!

**Kyle Romain** - Midfield Powerhouse. Man of few words, deeper voice than Barry White

**Ajay Sahota** - Our Captain Fantastic and Mr Encouragement. Models himself on Stevie D his hero.

**Dave Slattery** - Gets most of our goals but it's no wonder cos he's never passed to a team-mate! Worse attitude and strut than Balotelli!!! Top goal scorer (maybe ever) for the SDFL.

**Dave Toomey** - Our Champion's League Striker, hopefully by the end of the day to have a SDFL tattoo to match his other success.

**Aaron Webb** - Gives 100% in any position. It's sad to see he's going bald at such a tender age!!

**James Chippy Whitlock** - Can't catch a cold and always likely to give away a penalty! Top Man who works hard for the club!

**Anthony Pascarella (Cat/Gaffer)** - Fratello's very own Paolo Di Canio. Requires anger Management when the team aren't playing well!!

Fratellos would like to thank our sponsors **Ricky & Enzo Mazzotta of Fratellos** and **Paul "Oggy" Hunt from the Wheatsheaf Lower Stratton**, for their both their sponsorship and their support this season. Same again next year gents? We would also like to thank **Debbie**, Club Secretary, Kit Washer & Water Girl!. She tries her hardest to keep the team and manager in check, but sometimes it's a hard job.

**Fratellos** would like to thank the supporters that turn up each week to show their support for the team.

# Queensfield

**Liam 'Lilo' Gooch** - Club stalwart Mr ever reliable wherever he plays. Captain and great character

**James 'Barney' McMurray** - Possesses the hardest shot I've ever seen, found his position at right back as much as he sees himself as a striker

**Matty Hiscocks** - The quiet assassin, what a player to play with. Reads a game so well, best centre half in the league by far

**Daniel 'Hat' Peopells** - Quietest lad in the squad, been playing out of position, but has been given a chance and has more than held his own against far more experienced players

**Michael 'Chivvy' Chivers** - Mr reliable that is all I can and anyone else can say, the man is a machine and would die for you

**Roger Mundy** - Always seem to score important goals

**Mathew Gilder** - Another one who can play in many position and will never let you down. Plus he always has tape to keep our socks up

**Victor Cremin** - You either love him or hate him he's like marmite just hope the victor on top of his game turns up because he can be a match winner on his own. Sweet left peg and a big heart.

**Mikey Jack** - Watch for yourself - best player in this league by far and just wants to play football

**Adam Jack** - complete player fast strong and knows where the net is!

**Tony Smith** - Been there since day one and still a big part of team

**Sam Eagles** - Young squad player but always committed

**Lee Edgell** - Can play anywhere across the back four and always committed

**Peter Smith** - The team ain't the same without him, can play anywhere from goalkeeper to striker

**Kelvin Spencer** - Striker come midfielder, strong fast but will never ever score !!!

**Justin 'Jutty' Webber** - strong fast always committed as a player and gives it everything as a centre back

**David 'Baba' Burke** - Old, slow, grey but great defender.

Would like to thank club secretary **Kelly** for all her hard work over past years that she been the club sec as she does her best for the club; without her, the club would not run smoothly ..
