## PRESIDENT'S MESSAGE

Good afternoon everyone and a very warm welcome on behalf of the Swindon & District Football League.

At the outset of this current season the Management Committee were determined to have a successful league programme and a cup competition.

With a cold / frosty December resulting in some teams not playing for 6 weeks and the wettest March for years we have with the support of the clubs who reversed fixtures, booked 3G pitches and played on neutral pitches and extended the season we have had the closest of competition for years, this has also happened in the cup with a keenly contested competition.

It was decided to enter all teams into the cup draw with the winners going into 2 groups to complete in the League Challenge Cup and the losers into 2 groups to complete in the George Thomas Cup sponsored by Don Rogers, the top 2 to progress to semi-final and subsequently on a knockout basis to the final.

In the first final today the George Thomas Cup sponsored by Don Rogers we have **Bassett Bulldogs** losing finalists last year against last seasons **Up a Ladder Cup** winners **Chiseldon**.

In the Swindon District League Challenge Final we have **Shield & Dagger** last seasons George Thomas Cup winners against **Nationwide**

On behalf of all the officers of the Swindon & District Football League, I would like to extend a warm welcome and congratulations to the teams their managers, supporters and the match officials taking part, and hope they all have a good and enjoyable day.

Thanks to the Directors, Officers, Catering Staff, Bar Staff and the Ground Staff at the Royal Wootton Bassett Sports Association for their hospitality and for the use of their stadium and facilities.

I would especially like to thank our sponsors Don Rogers in promoting and financially supporting these competitions.

### Pete Mildenhall

**COMMITTEE MEMBERS NEEDED.** Celebrate the coronation as an **SDFL committee member**. Your commitment is a virtual meeting a month and help to support grassroots football in Swindon. We need a Treasurer—comfortable with numbers and the odd spreadsheet—but also committee posts to help with any number of chores, particularly promotion and communications to get our messages out to all. We will give you all the help you need. Contact John or any of the officers. It's your chance to put something back to the game.

**SPONSORS** - get your name out there weekly to 700 registered players and 30 or so teams on our web, tweets and all our paperwork.

## HALL OF FAME

We remember and honour the characters of grass roots football in Swindon.

This year saw the passing of **Phil Cook** the Fixtures Secretary with our friends of the Wiltshire Senior League. We salute his contribution and long service to local football .

We also remember **Janice Kuczynski** who had been involved in local football since 1993. She held posts with the SDFL, and more recently 20 years with the Swindon Sunday League. She loved all sports, particularly as an accomplished darts player, and her passion for local football saw her conducting league business as an example of how things were done properly. The SSL knockout cup has been renamed in her memory. We'll miss you Janice.

### Swindon District Football League is supported by

**Aura Signs.** Sign makers in *Swindon*. Providing quality signage, van *graphics*, printed banners, vehicle wraps & window tints around Wiltshire and the South West. If you like our WINNERS banner and we do, then that's thanks to Ollie at Aura. [www.aurasigns.co.uk](http://www.aurasigns.co.uk) 01793 480999

### Don Rogers Sports

01793 527378

**Don Rogers Sports** for your sports kit, equipment and trophies. What would we do without Don, Jane & the team looking after us? We can only imagine their faces when the incoming call starts "Hi Don—it's Peter here"

The SDFL are happy to recommend **Mike Horan Printing**. Heather and the team have printed our multi-part teamsheets, registration forms and programmes for as long as we can remember, with a prompt efficient service. Thanks Heather.

# BASSETT BULLDOGS FC

**Secretary: Phil Harris**

**Management: Colin Cochrane**

The club was founded by Phil Harris and Wayne Matthews back in 2012, built purely from a group of mates who just wanted to kick a ball about on a Saturday afternoon. It had started out as a 6 a side team a few years previous, but as the requests to play grew, it was decided the Bulldogs would enter the Swindon and District Saturday league. We've seen promotions and a cup win during our time as a club, which we're massively proud of, and despite the team going through some big changes in recent seasons, as original players hung up their boots, we still remain a tight-knit group.

**Colin Cochrane** - The Bulldogs gaffer. Taken up the position after having reconstructive surgery on his knee. Sadly doesn't have the recovery powers of Scott Large.

**Wayne Matthews** - Chairman, co-founder, bang average. Started the club to get game time... Still a sub.

**Phil Harris** - Co-founder and two time secretary of the year. If he could pass as good as he does paperwork, he would be in the Prem.

**Andy Adams** - The Bulldogs Boomerang, keeps trying to leave but keeps coming back.

**Ryan Amos** - First year with the club. His effect on the team has been made even more impressive by the fact no one has heard him speak.

**Craig Hunt** - LOL Craig.

**Sam Grattan** - Got asked this season if his missus cuts his hair.... she does...

**Callum Langan** - Only player to give full detailed explanations when he is unavailable.

**James Watson** - How this man runs as much as he does is beyond me. Exhausting just watching him.

**Cole Embling** - Club captain with big tackles and more head injuries than most pro boxers.

**Scott Large** - Missed a game because he was doing some coastal warm weather training and saw 3 kids and a woman drowning. He took off his Bulldogs training kit, jumped in the water and saved them all. In the process a shark bit his leg off. He was then available for the rest of the season.

**Reece Holloway** - If you meet Reece on a night out, he will have signed you up for Bulldogs next season. It's not optional.

**Harry Hazzard** - Struggled this season with hangovers.... I mean injuries.

**Will Jeary** - More persistent than a Jehovah's Witness.

**Josh Harris** - Once claimed he had a boxers neck. Unless that boxer uses his neck length to eat leaves off trees, we aren't sure we agree.

**Jake Covey** - Top goalscorer and if you want to see a hilarious photo of him, speak to Reece...

**Danny Dhillon** - The "pulled a hamstring" 5 minutes before we meet, player.

**Josh Penfold** - Can and does play any position he wants to, as long as those positions are centre back or in goal.

**Charlie Skeates** - Can be found Djing at Tree between some stupid hours that I haven't seen for at least 10 years.

**Kyle Brooks** - Unfortunately Kyle won't be able to play the final. We thought he dislocated his shoulder earlier in the season, but luckily, he only popped his collar bone...

**Tim Gleed** - Hard working, determined, good looking. These are all words I'd use to describe Cristiano Ronaldo. Tim's also okay

**Aidan Thompson** - A quick, strong player who gets exhausted within 5 minutes and remains exhausted for the rest of the game

**Joe Hooper** - Seeing Joe run with the bottom of his boot half hanging off then tripping over it whilst through on goal, is one of the highlights of the season.

**Howard Evans** - Youngest player in the team to be offered into a car park by an opposing manager.

**Connor Dodds** - Hi Connor!

# CHISELDON

**Secretary: Terry Parsons**

**Manager: Stewart Parsons**

Chiseldon FC has a very long history going way back before the current management set up took over in 2017. Since then the task was to take a decent bunch of players away from relegation zones and up towards the top end. This happened almost immediately with the introduction of new players, better organisation from the management and regular training. With standards rising off the pitch year after year standards on the pitch had to keep up. New players coming in had to be better each year meaning existing players had to also improve. Season 21/22 saw us crowned Div 1 Champions. We didn't just win the league, but we smashed it winning it by 10 clear points and played some really nice football too. We capped off that season as Cup winners too, completing a League and Cup double. The current crop are a great bunch of lads. No egos, no cockiness, love their football and always work hard. This season has been massively disappointing from a league perspective given the talent in this squad, but we find ourselves in a Cup final again so its not all bad.

GK: **Ben Causley** - Reflexes of a cat in training. Hopefully he has recovered from a mid season operation to be available for selection for the cup final.

GK: **Chris Redshaw** – Has been really consistent again this season but will sadly miss the cup final as he serves his country.

GK: **Simon Randlesome** – Has helped us out massively at the business end of this season as other GKs were unavailable. Hopefully gives a selection dilemma for the final.

DF: **Joe Wakley** - Athletic, quick and has the desire to win any one on one dual. Just needs to keep his mouth shut.

DF: **Matt Clarke** - Club stalwart, the legs might be creaking a bit, but the brain is still fully engaged... on mowing our pitch

DF: **Greg Mannion** - Can shift for a big man. You'll need quick feet to escape him grazing your shins. Missed last years cup final so well up for this one.

DF: **George Brown** – Joined us half way through the season. Was thrown straight into the team and hasn't looked back. A great versatile addition. Gives balance to the left hand side and has a goal in him too.

DF: **James Lovell** - Our captain has led us superbly this season. He'll be drawing his pension before he hangs up his boots

DF: **Theo Phillips** - has had a few nasty injuries this season, but can still play like road runner

DF: **Cameron Lampard** - Will play through injuries to help the team, but never let him drive you home. Waiting for an Army call up so this could be a swansong.

DF: **James Meade** - More hair than Chewbacca but has done really well converting from a left back to a right back.

MD: **Dave Popkiss** – Mr positive has gone about his business quietly and efficiently at the heart of our midfield this season.

MD: **Salvatore Vallone** - This Italian stallion knows how to 'deliver'. God knows how many batteries he uses, but they never seem to run out.

MD: **Sean Murnane** – Our very own Swiss army knife. Can easily pull off a man of the match performance playing any position on the pitch.

MD: **Josh Baker** – Up and down season for Josh, but he's back on the up when it matters most.

MD: **Mattia Meloni**: Been in and out the team due to availability, but has gained valuable experience this season and always gives 100%

MD: **Dan Vaughan** - Never did get his deserved testimonial. Our very own James Milner

FW: **Matt Rees** – Gets better and better. So quiet most defenders don't know he's there until they see him go passed them.

FW: **Kias Bonner Shea** - Rarely gets out of 2<sup>nd</sup> gear but watch out if he does. Technically superb and always a threat.

FW: **Joao Paulo Souza** - The Footvolley king. This might explain why his shots go over the net rather than in it

FW: **Dan Stretton** - Like a bull in a China shop, he'll smash you up, but then apologise because he's such a nice guy. Has missed quite a few games but still our top scorer.

FW: **Francisco Dias** – Hasn't quite scored the goals we know he can get but adds versatility and technical ability to our attack... when he turns up.

Manager: **Stewart Parsons** - Guardiola wannabe

**Referee**

**Chris Harris**

**Assistants**

**David Seaton**

**Ted Lewis**

**Mark Osborne**

**Chris Harris** has been refereeing for 21 years with the SDFL for 8 or so. He is a keen Fisherman and fan that likes watching all levels of football. After growing up in the north, he follows Man Utd attending many games when the Stretford End was standing!

**Ted Lewis** has been recognised as this years "Senior referee of the year". He gets the cup for the second time, but maybe we should have given him a saucer!?! :-)

**Mark Osborne** is a new ref with us this year. We can't give him a trophy but we'll make sure he gets a half time cup of tea

**David 'Seats' Seaton** is another new ref who joined us this year on the SDFL. We don't get any and three arrive at the same time (ask Jordan)

The George Thomas trophy was funded over 20 years ago by his wife in memory of the Swindon & District chairman, who had been a stalwart of the League and local football for over 50 years, joining the committee in 1951, becoming chairman in 1962 and President in 1983. Don Rogers is rightly known far beyond Swindon, famously for his contribution in putting the Arsenal of 1969 in their place. In 412 appearances for Swindon in two spells between 1961 and 1977, Don scored 149 goals.

**Brain B Murdoch**

**Not Jordan Smith**

**Jeremy Moyse** has been officiating on the league since 2007. For anyone born in Pompey, there is little option as to which club they support but he currently, like so many, is following Wrexham FC on Facebook.

**Keith White** has been with the SDFL for ages. He's managed Moreton so knows the game from the *other side*, and is helping mentor our refs. All we need now is to get him on the league committee. Please Keith.

### Not Jordan Smith

Shame he can't make it this year, he's OFINABUS (referee joke) but true he's driving a bus today. We have an able replacement in the donut man **Brian B Murdoch**.

**James Maulgue** is this years "Junior ref of the season".

After the end of a long standing association with the **Swindon Advertiser**, last season we thanked Nick Salter and **Up a Ladder** who sponsored Swindon's premier cup competition. We have no sponsors this season. Sponsorship pays for the winners and runners up medals, anything around £300 with the sponsor getting season long naming and the prestige of a stadium final. Contact us for more details

## NATIONWIDE

**Secretary/Chairman: Craig Taylor** (Craig) – A part of the furniture at Nationwide FC, has been around for over 10 years, originally as a bang average striker but has scored at the Kop end.

**Manager: Alex Kershaw** (Kersh) - Our Gaffer. Has been a long servant at the club mainly at LB but can be found anywhere on the pitch much to the annoyance of his defensive colleagues.

Nationwide FC was formed in 1997 primarily as a club for Nationwide employees to play competitive football in and around Swindon. Our history has mainly been in Swindon Sunday League until recently. Nationwide joined the SDFL for the 2021/22 season and have enjoyed good seasons in Div 1 and now the Premier. This will be our first appearance in a Cup Final for as long as anyone can remember. Thank you to Will and his team at the Wichel Inn for looking after us this season.

GK: **Connor McGuinness** (Con) – Ever present in goal for us this year - solid hands and loves a pint, not a curry.

GK: **Ben Morris** (Benno) – Our back up keeper and team physio and great to have around the club - loves an aussie accent.

DF: **Andrew Goodchild** (Goody) – Our captain and Rolls Royce of the team - never loses a header. We love him... Refs not so much.

DF: **Matt Morris** (Morris) – Social Sec, issues more fines than a car park attendant. Primarily a CB this year but puts his hand up for any position. Loves a ping.

DF: **Alex Kershaw** (Kersh) See above.

ANY: **John Horgan** (Jorgs) – First season with Nationwide. First game got sent off, since then been one of the engines of the team, great talker and makes the game look easy at times.

DF: **Andrew Lynham** (Lyno) - Ever present LB for us, when up against a fast RM he reminds us how old he is. Has a good cross and finish in his locker.

DF: **Barnaby Bushnell** (Barney) - First season with us and still settling in. Say's he's a RB but can be found higher up the pitch.

DF: **Marc Merritt** (Merritt) – Set piece extraordinaire. Loves a ping. Mr Consistent at RB this season.

MF: **Junior Small** (Junior) – He's happy when he's not running - good on the ball and a couple of great finishes this season.

MF: **Ashley Stevens** (Ash) – Loves a slide tackle and scorpion flicks - strongly motivated by Chicken Goujons at the Wichel Inn.

MF: **Ben George** (Ruggers) – goes to the Gym. When he's not following the Rugby he's a great engine in the middle.

MF: **David Coleman** (Coleman) – the size of Jan Koller with the feet of Iniesta. Got a strike on him and works his socks off until 70 minutes.

MF: **Nathaniel Harrison** (Natty) – Guaranteed to pop up with a goal, he's everywhere and leaps like a salmon.

MF: **Kevin Korupanda** (Kev) – Quiet lad our Kev but he'll find a gap anywhere in that Midfield.

MF: **Dean Hart** (Deano) – Hard as nails and absolutely rapid, would give Usain Bolt a run for his money. His favourite pint is the one at 2am before matchday.

AT: **Ashley Piotrowski** (Pio) – Can't miss his socks. Work horse at the top of our midfield - you'll hear him shout "Come on Nationwide" about 90 times a game

AT: **Adam Rudman** (Titch) – Never moans, always cheerful and you can hear his voice from anywhere on the pitch. Loves a goal, particularly a pen.

AT: **Connor King** (Con) – Got more skills than Ronnie. Always beating himself up but capable of incredible moments at any time.

AT: **James Joyce** (Joycey) – Didn't know his name was James. A work horse up top, needs 20 chances to score but will bag a few.

Did you miss the bit about us looking for help on the committee? We really need people who can help us take the league forward, and although we are constrained with some admin the FA requires us to do, you are doing it for your mates. It's not necessarily any job in particular although Treasurer and Welfare are important roles we need to fill, but if you can help draft a programme like this, make sandwiches for our VIPS at these finals, get us deals with printers or promote us with photos in social media or anything else for that matter, then you'll be just who we need. Have you got some skills you can share to help? Well join us now.
